Academics

“When a student comes to me asking for a thesis topic, my first question is ***when do you graduate?*** ... if the answer is 6-8 months I’m in the **damage control** mode ... if the answer is a year or more I know it will be FUN!!”

—Prof. Rex Buddenberg
Info Systems

Marine Corps Research

- Educated Marines = $\frac{1}{2}$ Invest
- The USMC SEP program educates roughly 200 officers / year at NPS for follow-on utilization tours in billets requiring advanced degrees
- Common Perception ...
- The other 50% (of the USMC Investment at NPS) has to come from research benefits, or else...

The RESEARCH Goal

- Meet academic requirements
- Pick research that is:
 - Requested
 - Applicable
 - Relevant
- Success Stories = Program Enhancement
 - + More research \$\$\$ for the future

MCSC Study Need

- PM – Infantry Combat Equipment (ICE)
- \$50,000 for studies in 11 areas
- PM-ICE POC:
 - Mr. Scott Adams
 - scott.adams1@usmc.mil
 - (703) 432-3323 – DSN 378-3323
- NPS POC:
 - Prof Keith Snider, GSBPP (listed in Outlook)

Your SEP “Contract”

- Will do a payback tour (3 years).
- Payback tour decision process is a requirements driven one managed by YOUR Occ Field Specialist & SEP Monitor (Major Tim Bryant, MMOA-5).
- Sometimes you can have a voice in your follow-on assignment ... sometimes NOT.
- Work TOGETHER among cohorts.

PME

- NPS JPME Requirement (NW-3230)
- Regional Coordinator:
 - LtCol Gary Dahl, USMC (Ret)
 - MCU Rep @ MCAS Miramar
 - DSN 267-1374 / Com (858) 577-1374
 - Gary.dahl.ctr@usmc.mil
- Seminars for EWS and C&S at NPS
- I can proctor exams (by appointment)

Fitness Reports

- Not Observed Academic Reports
- Section B “Billet Description”:
 - Student in the “Curriculum Title” (000) curriculum
- Section I “Directed & Add’l Comments”:
 - YOUR “brag sheet” (GPA, CommSvc, research, awards, thesis, etc.)
 - MROW on A-PES
 - Put ALL your info in Sections B & C of MROW
 - See NPS Marines Website FAQ page!!

Fitness Reports

- Graduation FITREPS:
 - Most NPS technical curricula are path to Master of Science (MS) degree
 - Most business school curricula are path to Master of Business Administration (MBA) degree
 - FAO/RAO is path to Master of Arts (MA) degree.
 - Check with your Program Officer to determine what degree is conferred and submit graduation TR fitness report MROW accordingly.

Note: FAO students will receive 'TR' report upon completing coursework at NPS but won't earn Master of Arts degree until successful completion of foreign language school proficiency test

Fitness Reports

- Common Errors:
 - Grade Change (GC) report
 - Covers the period UP TO the date of your promotion, therefore GRADE is the rank you are being promoted FROM and the associated DOR ... not the rank you are being promoted TO and the new DOR (that will go on the next fitness report covering the first reporting period in your new rank).
 - Billet MOS is "N/A" ... Not 0000, or 96XX, etc.
 - Unit Description is "MCD DLI PRS/MTRY CA" ... Not Naval Postgraduate School, etc.

Fitness Reports

- Common Errors:
 - Inaccurate dates in FROM-TO period
 - Fitness reports always pick up from day after end date from your previous report to last date of current reporting period.
 - For promotion fitness reports, end date is always last day of month prior to your promotion month.
 - Duty Assignment is "STUDENT NPS" ... Not Special Education Program, etc.
 - Billet Description is always in the format:
 - Student in the [Curriculum Title] (XXX) Curriculum.
 - Not providing enough detail in MROW or entering data below blocks B and C of MROW.

PFT

- 1st half (Jan-Jun)
 - First Saturday in April (A-M)
 - Second Saturday in April (N-Z)
 - Second Saturday in May (make-up PFT)
- 2nd half (Jul-Dec)
 - Second Saturday in September (early PFT opportunity for September graduates)
 - First Saturday in October (A-M)
 - Second or Third Saturday in October (N-Z)
 - Second Saturday in December (make-up PFT)

PFT

- Weigh-in:
 - Day prior to your PFT (Friday) from 11-13:00 at the NPS Gymnasium.
 - MARDET personnel will be located near the inside front entrance to the gym conducting weigh-in.

PFT

- Conduct of the PFT...

- 08:00 sharp / NPS Gym pull-up bars / scheduled PFT date.
- 3-mile run course:
 - Rec trail from LG tree behind Burlwood art carving (across from the intersection of Sloat Ave and Del Monte Blvd) CCW around pond across from Embassy Suites and Home Depot back to the start point.
- Uniform is green on green, HQMC approved PFT apparel; no MCAS, USMC Snipers, Nike, or other logo shirts; no hats, sunglasses, etc.
- Check in with your monitor/scorekeeper and **DO NOT LEAVE** without ensuring all your scores have been recorded!!

PFT

- Make-Up PFT ROE...
 - The make-up PFT is for personnel who are unable to run their scheduled PFT due to TAD, thesis travel, medical, etc.
 - You do NOT have the option of not showing up for your scheduled PFT without prior approval from the NPS Senior Marine Corps Representative.
 - Missing the PFT will result in adverse fitness report entry: "RDNT" or NPLR.

- Questions?

Enjoy Your Time Here!

- Effectively, I am your Commanding Officer
 - I write your Fitness Report
 - I handle disciplinary issues
- Keep me informed of friction points BEFORE they become career influencing
- Take advantage of this “down time” away from the typical Marine Corps environment
- If you’re not having fun, it’s your own fault!
